

2019-2020 STUDENT PREVENTION LEADERSHIP TEAMS

Student Prevention Leadership Teams are made up of Monroe County High School students that work hard to bring awareness and educate their classmates on the dangers of using drugs and alcohol.

In 2015/16 we had 79 high school students participate in our program. In the 2019-2020 school year we had 536 students. We anticipate more growth in 2020-21 as we are expanding our program to include all Monroe County Middle Schools.
