

2020 Marijuana Initiative

**ALL MONROE COUNTY
HIGH SCHOOLS
PARTICIPATED IN
THIS INITIATIVE TO
RAISE AWARENESS OF
THE DANGERS OF
MARIJUANA AND HOW
IT AFFECTS THE
BRAIN**

81% of Monroe County High School Students believe marijuana is addictive

90% of Monroe County High School Students understand that the THC levels in marijuana products vary and can be dangerously high

92% of Monroe County High School Students agree that it is unsafe to drive after using marijuana products

Student Prevention Leadership Teams (SPLT) are made up of Monroe County High School and Middle School students that work hard to bring awareness and educate their classmates on the dangers of using drugs and alcohol.
