Additional Naloxone Resources

- 1 WRAP-** WRAP, Washtenaw County's Recovery Community Organization (RCO), wants to help get naloxone into the hands of people who need it, local pickup/mail order. <https://thewrap.org/free-naloxone/>
- 2 The Lookout Project-** The Lookout Project's goal is to provide education regarding overdose prevention, alongside Narcan distribution to individuals in the community with an emphasis on previously incarcerated individuals. <https://www.lookoutproject.org/>
- 3 NEXT Distro-** NEXT's mail-based services are specifically designed to support individuals who are unable or unwilling to access in-person services in Michigan. <https://nextdistro.org/milangchoice-in>

Overdose deaths are preventable.

Naloxone (also known as Narcan®) is designed to help reverse the effects of an opioid overdose. Having naloxone nearby can make all the difference to help prevent death.

Naloxone is also available at all major pharmacy chains. No prescription is needed, but the cost is dependent on insurance. Call before going in.
