

# VAPING & NICOTINE INITIATIVE

2022-2023

LEAD • EMPOWER • ENGAGE • ADVOCATE

Monroe County Student Prevention Leadership Teams (SPLT) complete an annual Vaping/Nicotine Initiative to educate their peers about the dangers of Vaping and Nicotine

**97%** Monroe County High School and Middle School Students surveyed acknowledged that Vaping products contain nicotine and put them at risk for addiction.

**96%** Monroe County High School and Middle School students surveyed were able to identify healthy ways to cope with stress and anxiety without having to vape

**93%** Monroe County High School and Middle School students surveyed were able to identify at least 3 risks & consequences associated with vaping.

Monroe High School SPLT educated their peers on the dangers of vaping & created an anti-vaping pledge for students to sign.
