- What are the legal issues surrounding vaping

For more information, call 734-398-7518

The Board of Education recognizes that there are times when non-profit community organizations offer programs or services that might benefit Dexter students and/or their families. The Board further recognizes that when it opens the forum for distribution/display of materials from outside groups, Federal law guarantees all non-profit groups be given the same rights. The attached information is brought to you as a service of Dexter Community Schools. This service does not imply endorsement of its contents by the administration of the school, the Superintendent or the Board.
